MEINL EXPANDS PERSONELL

Marvin Romero to serve as Sales Manager for Central & South America

Meinl announces the addition of Marvin Romero to its team. Marvin will serve as Sales Manager for Central & South America. He will be serving the company's cymbal and percussion distributors in those markets from his home in Houston, Texas.

Marvin is fluent in Spanish, and is experienced in the industry of cymbals and percussion. He enjoyed an extensive and rewarding tenure with Pro-Mark Drumsticks for ten years. There, he served in various areas, including the Purchasing Department for four years, where he was responsible for the procurement of raw materials and components for the company's efficient manufacturing. Following that, he was promoted and served as the International Sales Manager from 2003 to 2009. His primary markets included Canada, Mexico, and the Pacific Rim.

"I have supported the Meinl name as a business partner, and have continued doing so as a drummer. Now, I feel sincerely honored to become a part of the Meinl company and their already phenomenal team." comments Marvin on his new position.
